The petition for revival under 37 CFR 1.137(b) filed 17 February 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" satisfies the requirements of 37 CFR 1.137(b)(3).

Applicant has submitted the authorization to charge Deposit Account No. 50-1604 for all required fees (including the basic national fee), and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the national stage in the United States of America.

It is noted that the 17 February 2005 submission included an executed declaration in compliance with 37 CFR 1.497. Deposit Account No. 50-1604 will be charged the \$130 surcharge for filing the declaration later than thirty months after the priority date.

This application is being returned to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 17 February 2005.
